We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.

Swami Vivekananda

About Us

AreTech Computer Education and Skill Council (ACE Skill Council)

Welcome to the AreTech Computer Education and Skill Council (ACE Skill Council), your premier franchise-based provider of computer and skills development certifications across India. We are dedicated to empowering individuals through our extensive network of franchise centers, delivering high-quality, industry-relevant education and training.

Our Mission

At ACE Skill Council, our mission is to democratize access to superior computer education and skills development. By partnering with local entrepreneurs and educators, we aim to establish a widespread network of training centers that provide essential skills and certifications to learners nationwide.

Our Vision

Our vision is to be the leading authority in computer education and skills development in India, cultivating a skilled workforce that contributes to technological and economic progress. We aspire to transform lives and communities by offering accessible, high-quality education and training.

What We Offer

At ACE Skill Council, we offer a diverse curriculum covering basic computer literacy, advanced IT skills, software development, cybersecurity, and data analysis. Our recognized certifications enhance career prospects, while our flexible online and offline courses cater to various learning preferences. We provide robust support for franchise partners, including training, marketing, and operational assistance. Our expert instructors bring practical industry insights, and our career services include resume building, interview preparation, and job placement assistance. Join ACE Skill Council for industry-relevant education and valuable certifications through our nationwide franchise network.

Chairman's Message

AreTech Computer Education and Skill Council (ACE Skill Council)

Welcome to the AreTech Computer Education and Skill Council (ACE Skill Council), where we are committed to shaping the future of computer education and skills development across India.

In today's rapidly evolving digital world, the need for proficient and adaptable professionals has never been greater. At ACE Skill Council, we understand the importance of equipping our learners with the knowledge and skills necessary to thrive in this dynamic environment. Our mission is to democratize access to high-quality education and empower individuals through our extensive network of franchise centers.

We pride ourselves on offering a comprehensive curriculum that caters to a wide range of interests and career aspirations. From basic computer literacy to advanced IT skills, software development, cybersecurity, and data analysis, our programs are designed to meet the diverse needs of our students and the demands of the industry.

Our franchise model enables us to reach communities across the nation, making education more accessible and inclusive. We believe in the power of collaboration and support, providing our franchise partners with the tools and resources they need to succeed and deliver exceptional education.

At ACE Skill Council, we are dedicated to continuous improvement and innovation. We regularly update our curriculum to reflect the latest industry trends and technological advancements, ensuring our students receive relevant and up-to-date training.

I invite you to join us on this journey of growth and transformation. Together, we can build a brighter future through education and skills development, fostering a workforce that is ready to meet the challenges and opportunities of the digital age.

Thank you for being a part of ACE Skill Council. We look forward to supporting your educational and professional aspirations.

Warm regards,

Mrs. Priyanka Mondal
Chairman
ACE Skill Council

Why Choose ACE Skill Council as Training Partner?

At ACE Skill Council, we specialize in providing top-quality computer education and vocational training designed to empower individuals and organizations alike. Here's why we are the preferred partner for skill development:

» Industry-Relevant Programs:

Our courses are aligned with the latest industry standards, ensuring you gain knowledge and skills that are in demand in today's job market.

» Experienced Trainers:

Learn from certified professionals and experts with real-world experience who are passionate about guiding you to success.

» Tailored Solutions:

We offer customized training solutions to meet the unique needs of individuals, educational institutions, and corporate partners.

» Cutting-Edge Facilities:

With state-of-the-art infrastructure and advanced training tools, we provide an immersive learning experience that mirrors real-world applications.

» Recognized Certifications:

Earn certifications that are widely recognized and valued by employers, boosting your employability and career prospects.

» Commitment to Excellence:

We are dedicated to maintaining the highest standards of quality, integrity, and professionalism in all our training programs.

» Focus on Security:

As a high-security training provider, we ensure a safe, reliable, and trustworthy environment for learners and organizations.

» Empowering Growth:

Whether you're an individual looking to upskill or an organization aiming to enhance workforce capabilities, ACE Skill Council is your partner in growth.

Choose ACE Skill Council and take a confident step toward a brighter, skill-enriched future.

Our Linkages and Authorizations :
